Dear Mr. Briggs:

Enclosed are pages from executive session transcripts of the Foreign Relations Committee dated September 16 and 30, 1970. The Department of State has reviewed these pages for declassification and has no objection to their release but believes it advisable that we ascertain the views of the CIA on page 31 (September 16) and on page 46 (September 30).

I would appreciate your advising me by November 28 if the Agency has any objection to the declassification of the enclosed material.

Sincerely,

Scott Cohen
 Staff Director
